SECTION 3.0: COMMENTS AND RESPONSES

This chapter presents letters submitted during the public comment period for the Draft EIR for the State, County, and City agencies, as well as from organizations and private individuals. The letters are each assigned a number, as indicated in Table 3-1. Each comment within the letters is also assigned a number that appears in the margin of the letter adjacent to the comment. For example, the first comment in Letter 1 would be Comment 1.1, and the further comment in Letter 3 would be Comment 3.4. The responses to each comment are then correspondingly numbered; i.e., Responses 1.1 and Response 3.4.
