## **Contact Us**

## To report a train horn violation:

The complaint will be kept on file with the City and will be forwarded to both the appropriate railroad and the Federal Railroad Administration with a request to take action. Information needed to report a train horn violation includes:

•	All person(s) who witnessed the violation and their contact information			
•	Date of the violation			
•	Number of times the horn sounded			
•	Train direction of travel			
•	Train engine number, if available
