Homeland Security Starts With You. If You See Something, Say Something.

Maybe you're commuting to work, school or running an errand. If you see something suspicious, don't keep it to yourself. Tell your local authorities right away. We all play a role in keeping our community safe.

Report any suspicious activity by calling the Orange Police Department at 714-744-7444 or 9-1-1 for emergencies or crimes in progress.
