Incident at # 1 City Boulevard West

On Thursday, January 14, 2010 at 9:20 AM, officers responded to the high rise building at # 1 City Boulevard West reference a male subject seen on the 7th floor allegedly writing on doors with blood. At 9:22 AM there was a report of fire alarm activations on several floors in the building. Two windows were broken on the 14th floor and a wooden baseball bat was thrown to the ground.

The building was evacuated and officers searched the building. There were no suspicious subjects located in the building. It appears the subject may have left during the evacuation, or as officers were arriving. In a stairwell on the 16th floor, officers located the words, "death, don't go up," in what appeared to be blood.

No one was injured during this incident, and it is unknown if the subject responsible for this incident is injured. We have not yet positively identified that individual. Our detectives are continuing the investigation.
