What Do We Do?

We connect with library supporters like you who believe in the magic a book brings to a child and who understand the importance of encouraging lifelong learning every step of the way.

Message from Orange Public Library Foundation President – Kim Nichols

How do we do what we do?

We work year round with our donors, our community partners and the library staff to meet the special needs of all three library branches as they occur throughout the year. We provide critical funding and engaging programs to keep our libraries relevant. Our City of Orange libraries accommodate over 1,400 visits per day by members of our community who require state of the art technology, upgrades to library facilities, and attention to trending public needs. OPLF partners in projects with Orange Home Grown (Orange Seed Lending

Library), Youth Centers of Orange (Summer Film Festival), Chapman University and Rotary Club of Orange (STEAM for Teens & Tweens). We sponsor the Clockwork Oranges Robotics Team you see at 3rd of July, Treats in the Streets, the Tree Lighting Ceremony...and so much more. We listen, we grant funds, we create new programs and we connect your giving heart to the library.

In the words of Andrew Carnegie, we do “real and permanent good in this world.”

I invite you to turn the page, participate in our programs and become involved in our mission.

How Can You Help?

Ways to give to the Orange Public Library Foundation

The Library Giving Tree & Citrus Crates

Evoking Orange's citrus growing history, the Library Giving Tree provides a form of lasting recognition to community members. With many hundreds of leaves and oranges, the Giving Tree offers a chance for individuals, families, businesses, schools, and community groups to honor someone special.

The OPLF also offers opportunities to sponsor Citrus Crate Labels in the Library Giving Tree area. Citrus Crate labels designed by Mel Slavick and Judy Schroeder, are based on actual crate labels once used in Orange. Each Citrus label will be customized to offer permanent recognition to its honoree/donor.

OPLF Library Legacy Award and Gala

A *FUN* way to help support the Orange Public Library is by attending the annual Orange Public Library Foundation Legacy Awards Celebration. This event is traditionally held in the Spring of every year with attendees enjoying great food, unique auction items, and the celebration of local individuals and organizations who have contributed to the overall well-being of our community. We invite you to join us at the Legacy Award Celebration this year.

"Diane Ryan was a longtime employee of our company and when she passed we wanted to honor her. We knew she loved visiting the library, so we asked her family about our family purchasing and dedicating a "Donation Orange" to the Library Giving Tree in Diane's name. When the time came both family and friends gathered to watch Diane's grand-daughter place the Orange on the donation tree. We all loved the tribute to Diane Ryan that will last a life time..."

~ Mike Alvarez, Mayor Pro Tem for the City of Orange

Annual Fund

One of the main fundraising events for the Orange Public Library Foundation is our Annual Fund Drive. Each year we ask for the community's support. This drive allows us to fulfill our goal of raising money to help enrich the Orange Public Libraries services and programs. Your contribution to the Orange Public Library Foundation will help perpetuate the highest quality library resources for information, recreation and lifelong learning for residents of all ages. All Annual Fund donors are recognized for one year on our Annual Fund and Legacy Donor Plaque at the Orange Public Library and History Center. Call us at 714-288-2470 or email us at oplfoundation@gmail.com to be added to our mailing list.
