

Research Guide - Using Gale Reference Library

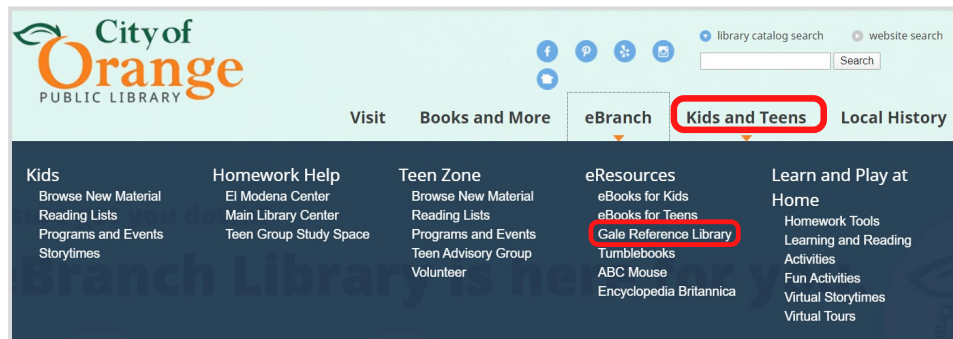

This guide will help you find eBooks in the Gale Virtual Reference Library to help with test prep, homework, and study.

1. Access the Gale Virtual Reference Library on the OPAC or through our library website. From the OPAC, log in to your account and click on *Databases*.

From the website, hover your cursor over *Kids and Teens*, and under *eResources*, click on *Gale Reference Library*.

Follow the prompts to arrive at Gale eBooks.

2. Scroll down the page to browse titles on a variety of research topics, or click on the topic link on the left side. You can also do a basic search to find eBooks by entering your keyword(s) (such as topic or time period) in the search box at the top left corner.
