

- **Who can participate?**

Any child, newborn - age 5, who has not started kindergarten can participate.

- **How can my child participate?**

You can participate in the program online using READSquared, or pick up a starter kit in person. Starter kits are available to all participants, but are not necessary for those using the READSquared app.

- To access the program online, download the READSquared app or visit [this link: http://orangepubliclibrary.readsquared.com](http://orangepubliclibrary.readsquared.com)
- To pick up a starter kit, visit the Children's Desk at the Orange Public Library & History Center.
 - READSquared (online participants)
 - Create a READSquared account and log all books read.
 - Earn virtual badges for every 250 books read. If you would like a printed certificate and sticker for your child instead, please visit the Children's Desk at the Orange Public Library & History Center.
 - You will be notified on READSquared to visit the library when you have earned a prize.
 - Once your child reads 1000 books, they will receive a FREE book to keep and continue their reading journey!
 - Reading Logs (in person participants)
 - Pick up a starter kit at the Children's Desk at the Orange Public Library & History Center.
 - Each time you read a book with your child, color in a circle on your reading log.
 - After every 250 books read, bring your reading log(s) and certificate from your starter kit to the Main Library Children's Desk at the Orange Public Library & History Center to receive a certificate sticker and/or prize.
 - Once your child reads 1000 books, they will receive a FREE book to keep and continue their reading journey!
