

If you have never printed using SmartAlec - Create an Account

Library cards must be added to the SmartAlec print system using this method before they can be used to print documents from personal devices like phones, tablets, or laptop computers.

Visit the SmartAlec Print Gateway webpage at:

<https://smartalec.smartalecprint.com/smartalec?ID=OrangePublicCA>

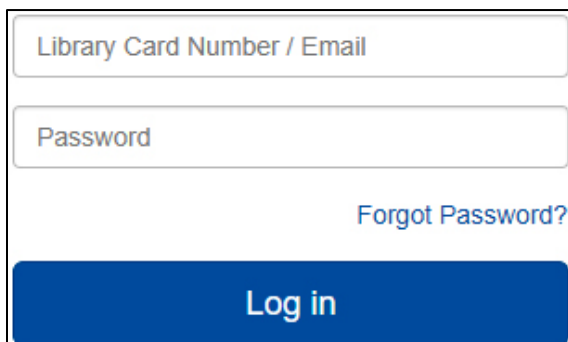

Click on the First Time User Button

A registration form with a white background and a black border. At the top left, it says "Card#:" followed by a text box containing "42357003090718". To the right, it says "PIN:" followed by a text box containing "0718". Below these are two text boxes: "Email" and "Phone", separated by the word "or". At the bottom, there are two buttons: a blue "Submit" button and an orange "Back" button, also separated by the word "or".

If you do not have an Orange Public Library Card, use the provided guest card # and PIN, enter an e-mail or mobile phone number, then click the Submit button. You can now use this number to print.

If you have an Orange Public Library Card, replace the guest card # and PIN with your card number and PIN (birthdate) and an e-mail or mobile phone number. Click the Submit button and your card will be registered in the SmartAlec print system.

After you create your account in SmartAlec, the screen is redirected back to the Log In page where you can now use either your registered Orange Public Library Card, or the Guest card that was just registered.

A login form with a white background and a black border. It has two text boxes: "Library Card Number / Email" and "Password". Below the "Password" box is a blue link that says "Forgot Password?". At the bottom is a large blue button with rounded corners that says "Log in" in white.

Enter your library card number and PIN, then click the Log In button.
